

**NOTICE FOR PUBLIC HEARING  
PRELIMINARY DETERMINATION REGARDING APPROVAL OF  
AN AIR PERMIT APPLICATION FOR  
MAYMEAD MATERIALS INC. - 421 RECYCLING YARD**

Maymead Materials, Inc. - 421 Recycling Yard, has applied to the North Carolina Department of Environment Quality, Division of Air Quality for approval to construct and operate an Asphalt Plant at:

5251 US Highway 421 South  
Boone, North Carolina, 28607  
Watauga County

Maymead Materials, Inc.'s application for the proposed drum-mix, hot mix asphalt plant at their 421 Recycling Yard was reviewed by the Division of Air Quality, Winston-Salem Regional Office to determine compliance with the requirements of the North Carolina Environment Management Commission air pollution regulations. The results of that review led to the preliminary determination that the project could be approved and the Division of Air Quality permit could be issued, if certain permit conditions are met.

This notice serves as a Notice of Public Hearing and Opportunity for Public Comment for this proposal. The Public hearing will be held at 6:00 PM on March 3, 2016 at the Watauga County Court Room located at 842 West King St., Boone, NC 28607. The division will accept written comments on the subject permit application from February 3, 2016 through March 3, 2016, only. The draft permit and review are available on the division's website at [www.ncair.org/permits/perm\\_draftrev/](http://www.ncair.org/permits/perm_draftrev/)

A copy of the application and supporting documents submitted by Maymead Materials, Inc.'s for the proposed drum-mix, hot mix asphalt plant at their 421 Recycling Yard and other material used by the Division of Air Quality in making this preliminary determination are available for public inspection during normal business hours at the following locations:

Winston-Salem Regional Office  
450 West Hanes Mill Road  
Suite 300  
Winston-Salem, NC 27105

Information on the permit application and staff review are available by writing or calling:

Lisa Edwards, PE or Jalal Adouli  
NC DENR, Division of Air Quality  
450 West Hanes Mill Road  
Suite 300  
Winston-Salem, NC 27105  
Telephone: 336-776-9800

Interested persons are invited to review these materials and submit written comments to Jalal Adouli at the above address or to present oral or written comments at the Public Hearing. Persons wishing to present oral comments at the hearing should prepare their presentation to be three minutes or less.

After weighing all relevant comments received and other available information on the project, the Division of Air Quality will act on the Maymead Materials, Inc.'s application for their proposed drum-mix, hot mix asphalt plant at their 421 Recycling Yard.
